The TSP contribution limit remains the same for 2005: for [CSRS](#) employees it is 10%; and for [FERS](#) employees it is 15%. Contribution elections submitted on or after 1 Jul 05, will be effective at the beginning of the pay period following the one in which the election is submitted. You may now contact the ThriftLine or the TSP Service Office through their toll-free number, (877) 968-3778. Enroll via the Benefits and Entitlements Service Team (BEST) automated system, 1-800-616-3775, or TDD number, 1-800-382-0893, or access it through the EBIS website <http://www.afpc.randolph.af.mil/dpc/BEST GRB/EBIS.htm>. There will be five Lifecycle Funds, named for future decades, each based on when you anticipate needing the money. **a. Attention Facility Managers and Base-Wide Customers—New Customer Complaint Form:** If you have any problems or complaints with your base-wide services (i.e., grounds maintenance, custodial services, refuse/recycle pickup, etc.), there is a new customer complaint form that supersedes/replaces the old AF Form 714. This link will access the new form: [Customer Complaint Record-Template, SAF/AQCP, Feb 05](#) which is essentially the same, but can no longer be accessed through the VEPDL website. the form is in MS Word format and once downloaded can be saved onto your computer as a word document. If you do this, you will only need to access the website link once. You can fax filled-out complaint forms with specific complaints to CE Service Contracts at 6-1252. No fax cover sheet is required. If you need additional assistance, contact Lana Davenport, at 6-1927. (30 CES/CEOEC)

**b. Attention Facility Managers and Base-Wide Customers—Procedures for Landscaping Requests:** CE Service Contracts Section has received numerous requests for replacement of bark, lava rock, etc. For clarification: replacement of landscaping is *not* part of the base grounds contract; the contract is for routine "maintenance" only. Replacement of landscaping materials is considered "*landscaping projects*" and requests of this nature should *not* be sent to Service Contracts. The most expeditious method for replacement of landscaping materials can be accomplished as a self-help project utilizing your organizational IMPAC funds. If this is not an option, you can submit a BCE Work Request Form (SW Form 35) through the CE Customer Service Desk in Bldg 11439. Your request will be reviewed by the Work Request Review Panel (WRRP) to determine if the work can be completed in-house, as part of a project, or contracted out. These options all require a lengthy process, funding, etc, and are not beneficial if your project is small or if you are seeking quick results. If require additional assistance, contact Lana Davenport, at 6-2330. (30 CES/CEOEC)

**c. EMS Awareness Training:** All Vandenberg AFB personnel must take and complete the mandatory Environmental Management System (EMS) Awareness Level Training on-line course before 31 Dec 05 (30 SW EMS Implementation Plan, 15 Mar 05). **d. Attention Military Family Housing Occupants:** The refuse contractor for Vandenberg AFB provides trash service to all MFH units. Green waste is picked up on Tuesdays; recycling is picked up on Wednesdays;

and trash is picked up in main base housing on Thursdays and in east housing on Fridays. To ensure proper service, make sure your can is at the curb by 0700 the morning of the pick up. The contractor is not required to return and pick up a can that was put out late. Make sure your cans are not blocked by vehicles as the contractor is not required to pick up a can that is not accessible. All houses are provided 3 cans. Please do not remove cans from vacant houses. If your house currently has more than the 3 allotted cans, call Service Contracts at 6-2330 for pick up. Refer to your housing brochure for additional information. (30 CES/CEOEC)
